Step 1. Few Surahs have a name different from the Surah number. This is the case for surah Nisa (66). When it comes to the Quran, each single Surah has a specific name in Arabic. But this doesn't mean that the name is given to all verses in that Surah. Some Surahs have a name and some don't. So, it's up to you to choose the name and find out how to read this name, at the same time you'll see why there are different names in the Arabic text. This is a woman who wishes she could live in her childhood dream house. But Kathy is a single mom with two daughters. She said she couldn't afford to buy a house. Now on a borrowed time, she is renting a room in her son's house, while he is looking for a new job. She wants to move out of the apartment, but things are a bit "tight" right now because of that. "I hope to move out of the apartment soon, but it's just not happening right now," she said. So, not having the money to move out of her son's house is causing her daily life to be a little tight. She works part-time but still has to pay the rent, utilities, groceries and bills. "I have to make some changes in my life," she said. Kathy said she doesn't have a lot of money, so she can't afford to move. And she can't afford to buy a home and move out on her own. "We've been in the apartment a long time," she said. She said she would have to look for a job and start all over. This is what many families are experiencing now. Diana and Alan Smith are renting an apartment and are looking for a house. Alan works a full-time job and Diana works part-time. But, they have their struggles. They are looking at places in Jackson County, since their lease is over in this city and they still haven't found a place to buy. "We've looked at places in Jackson County," Alan said. The
