The video below showcases the advanced player movements that the HyperMotion technology brings to the game. Player data is recorded in real-time and fed into the engine as the action unfolds during a match, allowing for realistic character movement in fast-paced, high-intensity matches. A new tactic-based, Physics-Based Artificial Intelligence (AI) system delivers a more realistic and engaging gameplay experience. The AI system monitors the player's team and applies tactics based on player ratings, based on individual or collective player

contribution on the pitch. AI will react to the player's actions during a match, meaning tactics will change and adapt based on player performance. As a result, player actions no longer dictate what happens in the game. The AI will also adapt to new situations and keep players on their toes with more fluid and realistic interactions with the ball. The new FIFA World Player Series introduces two new tournament formats; the FIFA World Cup Trophy Tour and the FIFA World Cup Trophy Tour Finals. In the FIFA World Cup Trophy Tour, players will face opponents across new and familiar locations and play for up to 15 minutes at a time. Winning a match in a FIFA World Cup Trophy Tour earns players coins that can be used to spend in FIFA Ultimate Team. The FIFA World Cup Trophy Tour Finals offers the winner of the FIFA World Cup Trophy Tour, which will be played by some of the world's most prestigious and well-known players, a chance to win a share of the transfer funds from the coin set they win. The FUT Ultimate

Team Pack — Adidas Football Edition will be available as a part of the FIFA World Cup Season Pass. The Adidas Football Edition pack, available in the FIFA World Cup Season Pass, features six new Ultimate Team players for FIFA Ultimate Team, all of which are exclusive to the pack: FIFA World Cup Trophy Tour • New FIFA World Cup Trophy Tour format. • Play 15-minute FUT matches. • Winning a match in a FIFA World Cup Trophy Tour earns players coins that can be used to spend in FIFA Ultimate Team. • The winner of the FIFA World Cup Trophy Tour earns a place in the FIFA World Cup Trophy Tour Finals.
