Security service representatives were allowed to work in UN-monitored areas of the Ghouta region, despite of Security Council Resolution 2295 (2013) which mandates the removal of all service offices. Al-Qurashi (Photo) Security forces allegedly attacked civilians, including doctors and paramedics, in locations they could not even reach. A total of 4,207 civilians have been killed since the armed conflict in Syria began.USS Ramona (IX-211) The first USS Ramona (IX-211), also known as USS IX-211, was a cargo ship that served in the United States Navy from 1940 to 1946, as part of the U.S. Navy Lend-Lease program during World War II. Her name was later given to a ship of the same name in the JMSDF. Construction Ramona (IX-211) was laid down under a Maritime Commission (MARCOM) contract, MC hull 1359, on 13 June 1940, at Chester, Pennsylvania, by the Sun Shipbuilding and Drydock Company. She was launched on 25 August 1940, sponsored by Mrs. E. C.

Wolcott, and placed in the naval service on 17 November 1940, with Lieutenant Commander John C. McElligott, USCG, in command. Service history Ramona, named for the California city where her senior designer, William T. Wells, had been born, was delivered to the Maritime Commission on 30 October 1940. Her first two contracts with the Commission were a shipyard overhaul and a refit, from 6 to 11 November 1940, to restore her to operation by the Commission; and a second refit, from 2 to 21 January 1941. Version:Â . give the camera a while to settle and for your subject to relax and show themselves. Don't take pictures of a subject when they are in a busy place. It is easier to get action shots when your subject is at rest and also no one can interrupt you. The camera will also flash to attract attention. Turn the flash off if you

don't want to use flash and I also suggest you get rid of the blue tone the flash adds to your images. If you are shooting a wedding you will want to let them know you are going to take photos. Most people will happily let you take photos as long as they know what to expect. They don't want you to walk around with a camera and catch their moment. If you are taking photos of a group you may want to ask permission to go around the group to create a more interesting composition. All the members in your group will like that you take individual photos of them. Have a friend hold the camera. If your friends are not experienced with cameras, it is best that they hold the camera so you can concentrate. Avoid backlit photos of models and people. It is difficult to get a good shot of someone using flash if the sun is behind them. Try to avoid using a flash when taking photos of a person. Even if the flash is on a tripod, it's still difficult to get a good photo if it's too bright. If flash is an option use it, but only if you are careful with how and where you use it. Try to keep your shots simple. You only have one chance to get a good shot, so you should try to tell a story through your images. You don't need to take photos of your feet or the back of
