The Elden Ring, a grand order of the nobility in the Lands Between, is at a critical juncture. The last of the once-powerful Elden Lords has been destroyed, and the threat of imminent invasion by an unknown enemy looms. As a Lasting Weapon of Fate, a hero must take the oath to protect the weakened nation and defend it from the mightiest of all invaders. To lead the heroes against the horde and combat the menace, you must become an Elden Lord. ------------------------------------- -- - Game Contents - -- --- Gameplay • Fight battles with no time limit in a vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. • Discover information about the world of the Lands Between and Tarnish, the mysterious hero who has awoken. • Summon your own party members, including a weapon, and follow the route of your own free will. • Acquire status through successfully defeating enemies in battle. • Complete quests to level up your character and start the adventure. Multiplayer Mode • An asynchronous multiplayer mode where up to eight players can connect to the same server and are

free to play together while sharing the same screen, unlike conventional multiplayer modes. • You can compete for the best score in order to raise the battle level and earn more points. • Enjoy a variety of quests as well as a few base options, and play with others even when it's not the right time to interact. • Offline play, while connected to a multiplayer server, allows a clear separation between the game content and player status. • You can immediately replay the quest from the beginning after winning. • Move your character freely when connected to the internet, and you can also chat with others while walking around freely. Story Mode • You can choose from three characters to play as. There is also a 'Companion' mode allowing you to control your party with a single button. Character • Guardian, a single-minded and strong hero • Dark, a dark hero who can fight fearlessly • Roxas, a star-crossed prince Companion Mode • You can freely control the party from a single button Interface • The UI at the bottom of the screen is designed with thought in mind. You can easily decide your desired role

What's new in Elden Ring:

Accessible Quest and Ranking System

Learn dungeons and become a true hero. You can quickly become an expert with only a small amount of training!

You don't have to go on long string quests that take ages to complete. You don't need to experience trial and error over and over again. You just have to think carefully about a strategy and how you should use skills!

By gathering a lot of EXP for every skill, you will easily be able to use them while upgrading your equipment. You don't need to worry about your equipment becoming weak by continuously using skills.

Instead of the traditional class-based online rankings that assign points according to your level and use EXP as the metric, you can look forward to adventures every time you log in. Carry yourself throughout the Lands Between, and join an Archeage: Elden Ring Online full of interesting people to meet and quest.

Enjoy!The Gore Quotes: 'This is All You're Good For, Dad' When we first met a rich 93-year-old man named Gore, we knew he was different. Despite his wealth, we met him at a playground near his home in Amherst, Massachusetts, where we found him quietly watching as his 6-year-old granddaughter rode a merry-go-round. While he was gracious and friendly, he didn't offer any insight into his life. We were curious to know what he was doing with his time. When it was time to leave, it took just a few moments for him to say goodbye. He was more concerned about getting to the next stop on the ride. And at that moment, we realized that this man was different, too. Gore didn't always live in a paradise. After he was orphaned, he became a foster child in a series of foster homes. When he was 12 years old, his caretaker sent him away
