Will Rogers was an American comedian and social critic who lived at a time when the U. S. was in the middle of a dramatic economic transition and standing for democracy in the face of government corruption and economic malaise. He lived from 1879 to 1935 and there were no major national political issues of the day during his lifetime, only a changing of the guard. Thus, he contributed much of his comedy to the concerns of that day, which also affected many other comedians including Groucho Marx. Will Rogers is widely regarded as one of the greatest comedians who ever lived; his idea of humor was not racial or ethnic, but universal, accessible to all of society. Rogers made more than 2,000 jokes over his lifetime and became an American national icon for his sense of humor. He was frequently dubbed "The Almanac Kid" for his weekly humor columns that ran in the Almanac, a newspaper he started in 1901. He continued to do regular humor columns after he wrote his book The Adventures of Tom Sawyer in 1924. He also wrote several screenplays including the 1932 film The Singing Fool. In 1910, Will Rogers, whose views were conservative and even radical in his earlier years, opposed U. S. entrance into World War I. Completely free to watch or download the TV documentary from Channel 5. A compelling insight into a life 6d1f23a050
