enciclopedia didattica della chitarra, [12 cd nrg - ita][tntvillage.org] <http://www.tantv.org/tntvillage.htm>
<http://www.tanto.it/> This can be useful, especially for those who use an iPad because it has the ability to play
games when not in use. And that's very good, since most of the DVDs I've seen have been written in Spanish,
Italian or English. Also, for those who know English, there are subtitles on the DVD:
