The TPO TOEFL Test is designed specifically for TOEFL candidates.The program interface is exactly the same as the TOEFL IBT.Includes reading, listening, speaking, ... etc. Saying, speaking and listening skills are the most important elements of every TOEFL preparation, and the TPO TOEFL for Speakers is designed specifically for candidates who desire to get ahead by improving their speaking, listening and verbal communication skills. As with other TOEFL books, the TPO TOEFL for Speakers includes both reading and comprehension training, as well as reading activities that are fun and challenging. The book also includes a listening section.
