Ali Mini Upgrade 610 Gratuit Sur Toocharger948 Find this Pin and more on AliExpress - Buy everything for your family by AliReview. tags I have an old Ali Mini 650 and I wanted to replace the battery with a better one. Here is the case of the 650. The case is very good and compact. The back of the case is very good. I would recommend it to anyone. The battery is very high quality and the charging time is very short. The charger is also good quality and you can use it with the case, if you are a power user. dd2bc28256
