Wondershare DVD Slideshow Builder Deluxe is designed to make you own unique and attractive DVD slideshow. It automatically makes your slideshow and you can also edit your DVD slideshow by yourself. You can make it an ideal gift to your beloved ones. Nowadays, there are three video formats around the world. But each one is incompatible with others. For instance, NTSC is used in North America, Canada and Japan; while most of other regions PAL/SECAM. To apply TV Standard in DVD Slideshow Builder Deluxe, go to Create -> Option tab and locate TV Standard option to select NTSC or PAL. If you are not sure which one to choose, please click Help button, select your country, then click OK, the program will choose the right TV standard for you.
